The ECBHM-AGM took place on Wednesday the 6th July at 6.00 pm during the XXIX WBC in Dublin. In total, 118 diplomates, 3 associate members and 26 residents participated to the AGM. Before the AGM, the Board and the committees also organized their own meeting to prepare the AGM. People closely involved in the activities of the college were also present in the ECBHM boot.

CERTIFYING EXAMINATIONS 2016

From July 25th to July 27th 2016 the ECBHM Certifying Examination was held at the Clinic for Ruminants of the University of Bern in Switzerland. Thank you to the institution for hosting the exam!

Ten candidates sat the exam, which consisted as usual of single best answer questions, long questions, clinical case scenarios, problem solving questions, a presentation about a piece of own research and an open discussion on a „hot topic“ which was „biosecurity and its impact on emerging disease in Europe“.

The examination committee was coordinated by Michèle Bodmer (CH) and was formed by Peter Down (UK), Nicolas Lyons (UK), Isabelle Truyers (IR), Susana Astiz (E) and Jean-Philippe Roy (Canada).

Ingrid Lorenz, the president of the college was also present during the exam and served as an additional examiner and valuable contact person for all kinds of questions.

The examination was completed in three days and the committee completed the final marking on the 28th of July 2016.

Five out of ten candidates passed part A and B of Certifying Examination and are therefore our new diplomates: **Andrew Henderson, Connor McAloon, Bart Pardon, Dieter Prins** and **Arne van Houdt**. *Congratulations and a warm Welcome to the College!*
